PREFACE

This bibliography consists of all the works in designated categories written by current, full-time, permanent faculty members of the College of Law and Emeriti faculty of the College of Law that were published before October 1, 2013. This bibliography is published annually.

A draft of this bibliography was sent to each faculty member so that each member would have an opportunity to make any additions, deletions, corrections, or other changes. Bibliographies that were returned to the library before October 1, 2013 were included as changed. Other bibliographies were included unchanged. Each bibliography is subdivided by type of work into designated categories. Those categories are as follows:

- Books and Monographs
- Chapters in Books
- Articles in Law Reviews, Other Scholarly Journals, and Digital Repositories
- Book Reviews
- Statutory Drafting
- Reports to Governmental Bodies and Professional Associations

Insofar as possible an effort has been made to consolidate all works that have been reprinted or substantially reprinted under the first published appearance of that work.
